RE: Baseball and Softball Field Renovations

Dear Bill,

Please accept the following as our quote to remediate both the softball and baseball fields. Please make note as to what is included in our quote.

Baseball Field

- ✘ All labor to excavate 8" depth of entire infield and remove all spoils
- ✘ Hauling of all spoils to our dumpsite
- ✘ Placing of 4" of sand, provided by Beaver Local Schools hauled by Dynamic Structures (86 tons)
- ✘ Providing and placing 1" HDPE waterline to junction box behind pitcher mound (buried junction box with hose bib attachment)
- ✘ Grading of all 4" of sand in infield area
- ✘ Providing and placing topsoil in all grass areas to grade
- ✘ Grading supplied Dura Edge Pro Infield Mix, hauled by R&J Trucking provided by Beaver Local School District (120 tons)
- ✘ Seeding and mulching all disturbed lawn/grass infield area with premium athletic mix, proper fertilization, and sufficient straw mulching

Total \$9,405.00

Softball Field

- ✘ All labor to excavate 8" depth of entire infield and remove all spoils
- ✘ Hauling of all spoils to our dumpsite
- ✘ Providing and placing 1" HDPE waterline to junction box behind

pitchers mound (buried junction box with hose bib attachment)

- ✘ Placing of 4" sand, provided by Beaver Local Schools, hauled by Dynamic Structures (95 tons)
- ✘ Grading of sand for proper drainage
- ✘ Grading of supplied Dura Edge Pro Infield Mix, hauled by R&J Trucking, provided by Beaver Local School District (115 tons)
- ✘ Seeding and mulching of disturbed areas as per baseball fields

Total \$8,550.00

Concession Stand Area - Regrade

- ✘ Regrade area, provide and place proper topsoil, seed and mulch area for proper grass coverage

Total \$1,710.00

Thank you for the opportunity to quote this project. Feel free to contact me with any questions or concerns on this or any future projects.

Sincerely,

Matthew Pusateri
