

In Accordance with Board policy, students are not permitted to use or be in the possession of any tobacco or nicotine containing products at school or any school related activity. This includes cigarettes, chewing tobacco, snuff, electronic cigarettes or any instrument used for vaping, such as Juuls. Students who do not comply with this restriction are subject to school discipline measures including but not limited to, In School Suspension, Out of School Suspension and completion of education classes on the dangers and risks of tobacco and nicotine. In addition, students may be issued a \$125 fine written through Juvenile Court. Underage possession or use of tobacco and nicotine containing products is against municipal and state law. Students using or in possession of these products may be referred to law enforcement authorities.
