Dear Louis:

It is time to renew your membership for the Ohio Coalition for Equity & Adequacy of School Funding. The Coalition's record of achievement in improving school funding, particularly in the area of school facilities, is unprecedented.

The Coalition is the premier voice for equitable and adequate funding for the public common school system. Its relentless unmasking of the fraud and corruption in the charter industry has gained the attention of the national media and general public.

The charter industry began in 1999 as a \$10 million experiment. With the powerful support of certain state officials, the industry has flourished. There has been a drain of \$9 billion from school districts. BUT, due to increasing public scrutiny, the charter brand is beginning to lose its luster.

The Coalition continues to keep taxpayer fraud, accountability manipulation and intentional deception by the charter industry in front of the Ohio public.

The Coalition dues are only \$.50 per student (\$.05 for ESCs). Renewal of membership is important to your district and the Coalition's determination to shed light on the privatizers' attempt to dupe Ohio citizenry. Through your dues and support, the Coalition will remain a strong voice against the egregious and illegal use of your school tax dollars.

Sincerely,

Dick
