

2018-2019 MCESC Member District eLearning Options

Services and Fees Request

District Name Beaver Local Schools

The MCESC is providing services to support districts in their efforts to provide eLearning Options for their students by partnering with Fuel Education. If interested, please complete the information below and return to Jayson Yeagley. **Prior to implementation of any services requested, an approved MCESC service agreement or excess cost agreement must be returned.** A follow-up meeting will then be scheduled to personalize your district's needs. For more information, please contact: Jayson Yeagley, Instructional Supervisor MCESC; j.yeagley@mahoningesc.org; 330-831-7995.

***Please check any and all the three options that you are interested in for the 2018-2019 school year:

- 1.) Full-Time Online/Full-Time Alternative Program (To recruit back/retain students)(HQ teachers needed for EMIS)
 - I plan on hiring my own teachers for my own courses, and/or, I plan on using MCESC/FuelEd online teachers (Choose Optional item below)
- 2.) Credit Recovery Courses (Use during school year/Summer School)
 - I plan on hiring my own teachers for my own courses and/or, I plan on using FuelEd teachers with a fee (\$175 Per sem./Per Student/Per Course)
- 3.) Online Course Offerings (Electives, Foreign Languages, etc)
 - I plan on hiring my own teachers for my own courses and/or, I plan on using MCESC/FuelEd online teachers (Choose Optional item below)

Administrative support provided by the MCESC, but the other following items you are REQUIRED (*) to have in your district:

MCESC Administrative Support (Provided by the MCESC)

1. Set-up district in system platform as it's own institution;
2. Assistance with administrative policies and procedures for digital learning options;
3. Ongoing administrative support through the use of collaborative meetings, phone calls, emails, and/or onsite visits;
4. Assistance in finding and/or providing digital options (courses) to help students graduate under the new graduation requirements, etc. workforce credential pathway;
5. Monthly Institution Admin. Meeting at MCESC with updates and Other PD topics to include guest speakers and new product roll-out.
6. Ongoing support to all district users, serving as the liaison between the districts and online provider to ensure the daily use and operation;
7. Coordinate and create course sections requests if districts choose to use their own teachers for online course offerings;
8. Hire and supervise MCESC online teachers, serving as the liaison between the online teachers and the districts that choose to use MCESC online teachers as a service;
9. Monitor the contracts for services and fees associated with services.

*FuelEd Institution Administrator (Creates mentor, student, and guardian accounts; Oversees policies and procedures)

- Every District MUST have one Fuel Institution Administrator.
- Professional development and ongoing MCESC administrative support will be provided throughout the school year as noted below..

FuelEd Institution Administrator Name Jeremy McElroy

*FuelEd Mentor(s) (Creates student and guardian accounts; Train, monitor progress, and communicate with student, families, and staff)

- Every District MUST have at least one FuelEd Mentor assigned to every student enrolled for any of the three options.
- The Institute Administrator can serve as the Mentor role as well.
- Free Mentor Professional Development will be provided.

Services: Please see the following list for Required (*) and Optional Services and Fees: Fees:
